Mushrooms or Toadstools?
One way to tell is to eat them. If you live they are mushrooms. The safe way to find out is to take them to a botanist.

One way to tell whether an investment is good is to buy it. If you don't lose it's good.

The safe way is to have the expert of The Brookmire Investment Service analyze it before you buy.

They know from years of experience which investments are safe and when to buy them. The WHEN controls your profits.

Send to-day for free booklet #7 on "Scientific Investing." It shows how Brookmire clients made unusual profits last year WITHOUT GAMBLING.
